

# Wine List

---

Carefully selected from the Walker Bay wine region.

Welcome to Selkirk's. A great deal of time and consideration has gone into the selection of each farm and varietal on our wine list. From Botrivier to Stanford, we scoured the region for the best that the Overberg has to offer. We have personally visited each farm and spent time with the wine makers to fully understand the complexities of each wine.

The beauty of this region does not end with magnificent wine. If you visit any one of our farms you will receive a warm welcome from people who have a passion for one of Mother Nature's greatest gifts, wine. The cool maritime climate and the right soil composition combine to make the Overberg region the ideal location for the fussy Pinot Noir, Sauvignon Blanc and Chardonnay vines. In this picturesque region wine lovers can treat themselves to an unique wine tour among the southernmost vineyards in Africa.
